Alumni Newsletter

February

Dear Texas Wrangler Alumni,

With the newsletters I will keep you updated on key events and developments within the organization. Below I explain some exciting new ways we're serving the community.

We're revitalizing our relationship with Easter Seals in two key ways. First, by volunteering every day of the week in their fitness center assisting clients. Second, by executing a service project cleaning client's property. We also have found a new service that allows us to help those in need while strengthening ties with UT Men's Basketball. Last week we started coaching the 5th Grade Rodriguez Elementary School Basketball team. Every year the team has their banquet hosted by UT Men's Basketball players.

Thank you to Alumni Ben Whitaker for speaking to us last GM about recruiting best practices. If you are interested in speaking at a future GM reach out to our Alumni Liaison and VP, Connor Dilgren (832-683-6468). Thank you for your support and stay tuned for more updates on what we're doing to better the organization.

Best Regards,
James Dial

Fall 2018 Maverick Service Project

The Fall 2018 Mavericks are making a lasting impact by purchasing, building, and landscaping a Greenhouse for Wooldridge Elementary.

Maverick Ofek Bruhis found inspiration for the project from a Greenhouse his childhood school provided. He credits his experience serving there as vital for his appreciation for nature.

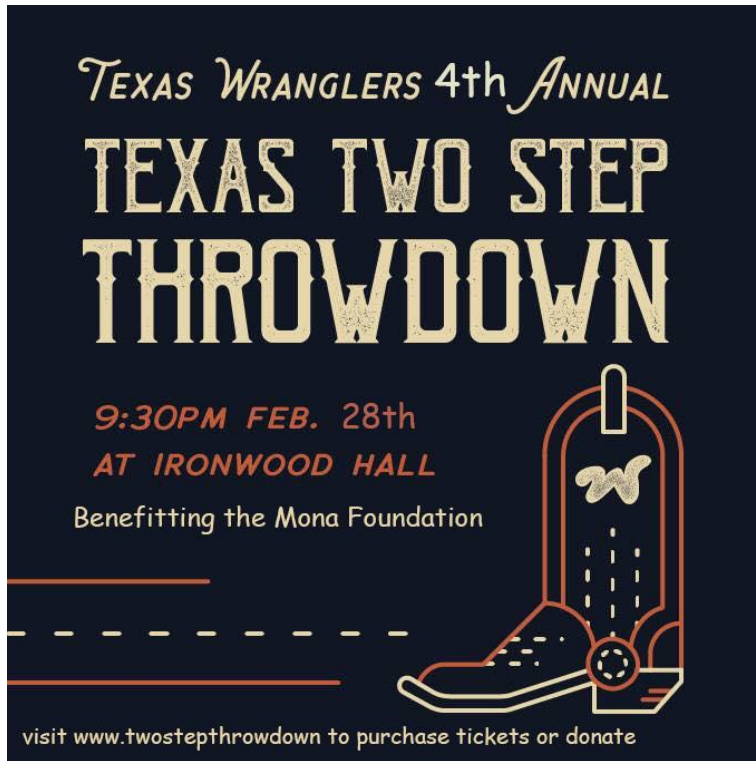

Boys and Girls Club have pledged to maintain and use the Greenhouse for the next 10 years. We are proud of the impact these future Wranglers are making in the community.

Two Step Throw Down

Our 4th annual Two Step Throwdown is this month on 2/28 at Ironwood Hall!

The event is in support of The Mona Foundation, a nonprofit organization dedicated to supporting grassroots educational initiatives and to raising the status of women and children worldwide. We are excited to continue hosting this event as it has been so successful in the past!

We hope you consider donating, buying an event shirt or even just spreading the word.

Visit our [Two Step website](#) for more information on the event or to donate.
